Did You Know ?
The Owls Head Transportation Museum located in Owls Head, Maine has an 1849 Concord Coach on display. In addition to the coach there is a very informative write up about the Abbot Downing Company and Concord NH. If you're ever in the area, stop by and check it out. By the way ... this coach cost \$2000.
The coach is a gift to the museum from Horace Sowles, a collector of wagons, coaches, sleighs and much more.
